Petra Javrh

Dr. Petra Javrh deluje kot znanstvena sodelavka na Pedagoškem inštitutu in Andragoškem centru Slovenije. Več kot desetletje raziskuje področja neformalnega učenja, razvoja kariere, še posebej pa profesionalni razvoj učiteljev in izobraževalcev odraslih ter področje pismenosti ranljivih skupin odraslih. Je avtorica in soavtorica več znanstvenih monografij, didaktičnih izobraževalnih gradiv za odrasle ter izobraževalnega programa Razvoj učiteljeve poklicne poti. V založbi Pedagoškega inštituta je izdala znanstveno monografijo *Spremljanje in načrtovanje razvoja kariere učiteljev po S-modelu (2008)* in v soavtorstvu še pripadajoči priročnik za učitelje.

Petra Javrh, PhD, is employed at the Educational Research Institute and the Slovenian Institute for Adult Education as a research fellow. For more than a decade she has researched non-formal education, the development of a career, in particular professional development of teachers and adult educators. Another topic of her research is literacy of vulnerable groups of adults. She is the author or co-author of various scientific publications, as well as didactic educational materials for adults, and she has also developed the educational programme The Development of a Teacher's Career Path. Her book *Monitoring and Planning of the Development of a Teacher's Career According to S-Model (2008)* and the accompanying handbook for teachers, which she co-authored, have been published by the publishing house of the Educational Research Institute.
